XLR Shielded Data Cables

DMX Extensions & Shielded XLR Data Cables

Lex Products provides a full line of tour-grade DMX extensions and related shielded XLR data cables for intercom, color changers, RFU remote-focus units and LED luminaries.

- **Heavy duty tour-grade polyurethane jacket offers dependability and long life**
- **Rugged Neutrik black/gold connectors provide most reliable long-lasting connections**
- **Water and UV resistant, suitable for outdoor use**
- **Customer name and/or color code applied to cable at no extra charge**
- **Extra flexible for ease-of-use**
