We Deliver the Power™

PowerHOUSE™ 20 Amp PowerCon® Quad Box
Portable Distribution Boxes Rubber Quad Box Enclosure

- *Heavy duty molded rubber enclosure is fully insulated, resistant to shock, impact and corrosion*
- *Create stringers on the fly with varying length PowerCon® extensions (Neutrik PowerCon extensions sold separately)*

Catalog Number:
DB20PC-SBPC

Description:
20 Amp Neutrik® PowerCon® Quad Box to (2) NEMA 5-20 Duplex Receptacles

Typical Applications:
This is an extremely versatile box for placing convenient (NEMA 5-20) receptacles exactly where you need them. The PowerCon® extensions are compact and economical. With different length extensions you can create your own receptacle stringers. It also allows Edison (NEMA 5-15) equipped gear to be plugged into PowerCon® distribution systems.

Markets Served:
Convention Centers, Live Events, Concert Touring
