Description:

Custom 2" wide labeling for cable assemblies manufactured by Lex Products.

(All cable assemblies come standard with a length label)

Typical Applications:

Lex custom labels provide a means to positively identify the owner of the cable assemblies and to add inventory control information.

Markets Served:

Entertainment, Industrial, Military

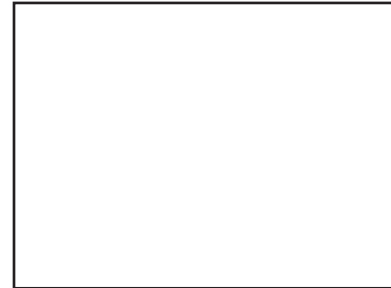

Lex will create custom labels to your specifications, including graphics and barcodes. Please complete this form and submit it to Lex Customer Service. You will be emailed or faxed a full-size proof for your approval. **Note:** Custom labels described on this form are for this P.O. only.

Label Description: _____ **Date:** _____ **P.O. #** _____

Please select the appropriate size for your application from the table below, and sketch the arrangement of text and graphics you want on your label, as guidelines for our designers.

Cable	Printable Area
Feeder cable Multi-cable (6 circuit) Stage Pin extensions NEMA extensions Speakon assemblies Fly cable DataSnake Cat5 snake	2" wide x 1.5" high
DMX512 cable Color Changer cable RFU cable Cat5 Cable	2" wide x 0.5" high

2" x 1.5"

2" x 0.5"

Please write the exact text you want to appear on your label. Our designers will size it to best fit the available space.

Graphics: Custom text can be printed using any True Type font that comes with Windows XP. **Arial** is the default. Graphics can be integrated into a label. Graphics must be provided in one of the following formats: Windows Bitmap (BMP), JPEG Bitmap (JPG), JIF Bitmap (JIF), or Windows Metafile (WMF).

Please email your graphic file to orders@lexproducts.com. Please use the same label description as you used above.

Barcode: Formats supported: Codabar, Code 32, Code 93, Code 128, EAN8, EAN13, UPC-A, UPC-E, Interleaved 2 of 5, ITF 14, Matrix 2/5, EAN 128, & MSI
